

Waterhog™ Premier No. 295

NOTES

Waterhog Premier has a ridged construction that effectively removes and traps dirt and moisture below shoe level. Exclusive rubber-reinforced face nubs prevent pile from crushing, maintaining high performance and extending product life. Premium tri-denier polypropylene fibre system allows fabric to dry quickly while preventing fading and rotting. 50% heavier than Waterhog Classic. Anti-static rating averaging 1.2KV with a maximum average voltage of 1.6KV as measured by the AATCC.

Specifications

- Uses:** Entrance areas
- Compound:** Yarn: Solution-dyed polypropylene,
Backing: SBR Rubber
- Durometer:** 55 per ASTM D2240
- Thickness:** 10mm
- Edges:** Safety bevelled on all four sides

Colours: Black Smoke & Indigo

NOTES

Construction

- Face:** Moulded reinforced textile
- Compound:** Solution-dyed Polypropylene
- Pile Height:** 10mm
- Face Weight:** 680g
- Backing:** SBR Rubber

Features & Benefits

- A:** Unique ridged construction effectively removes and traps dirt and moisture beneath shoe level.
- B:** Exclusive rubber-reinforced face nubs prevent pile from crushing, maintaining high performance extending product life.
- C:** Premium polypropylene allows fabric to dry quickly and prevents fading and rotting. Mats can easily be vacuumed or hosed out.
- D:** Special gripper rubber backing minimises movement on carpets or hard surfaces.
- E:** Exclusive "water dam" allows Waterhog Premier to trap dirt and water so they stay in the mat and off your floor - minimising slip hazards and floor damage around the perimeter of the mat.

Indigo

Southern Pine

Black Smoke

Grey Ash

Note: Colours subject to change from dye lot to dye lot.
