Safety Scrape™ No. 400

Heavy durable **Safety Scrape** mats work wonders in environments where traction is essential. In kitchens, locker rooms, on inclines, behind lunch counters and bars, in production areas and outside entrances. Constructed of 100% nitrile rubber for oil and chemical resistance. Moulded face cleats act as scrapers to remove heavy dirt and soil from shoes and provide an excellent anti-slip surface. Anti-skid gripper backing.
