

WorkSafe® Light No. 478

WorkSafe Light, one of our most popular moulded rubber anti-fatigue mats, has proven for years that "Less is More". At 12mm thick and only 11kg for the 900mm x 1500mm mat, its lightweight design eases the strain of clean-up yet keeps employees comfortable. The well-engineered drainage system keeps debris from becoming trapped, and its moulded bevelled edges allow easy access.

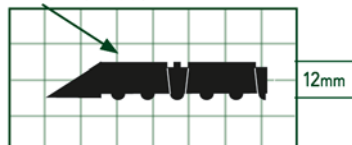

Specifications

- Uses:** Wet or dry areas
- Compound:** 100% Natural Rubber
- Durometer:** 60 per ASTM D2240
